

SIMPLE • SAFE • SUSTAINABLE

The new **iClean mini™** turns tap water into a safe, effective cleaner and sanitizer stronger than bleach* without the hazardous odors, fumes or toxic residues that come with traditional cleaning chemicals.

Simply with the press of a button, the diamond-coated electrodes on **iClean mini™** instantly create an oxidizing solution safe for people - yet tough on dirt, germs, and odours.

CHARGE

Fully charged in just 60 minutes
Lasts for hundreds of sprays

FILL

QuickRelease reservoir opens easily
Use cold tap water only

SPRAY

Press power button to create
safe oxidizing solution
